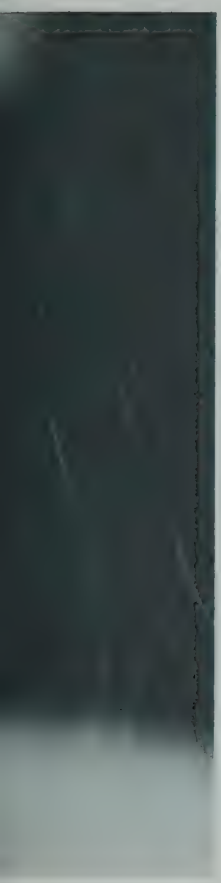
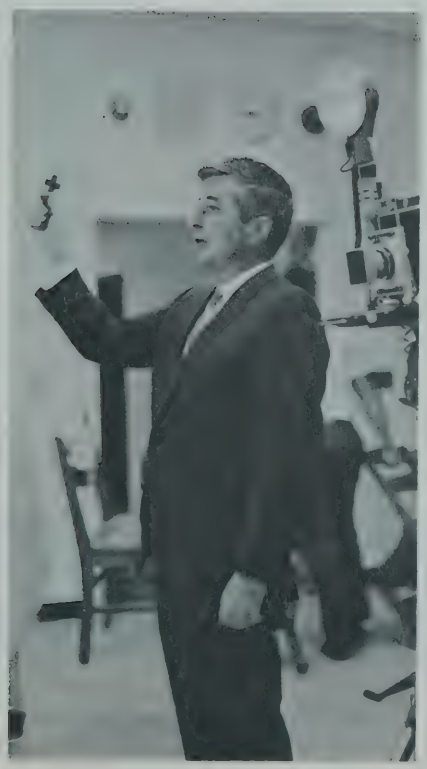
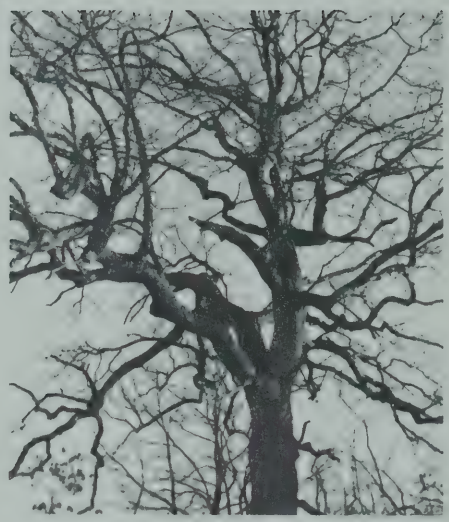
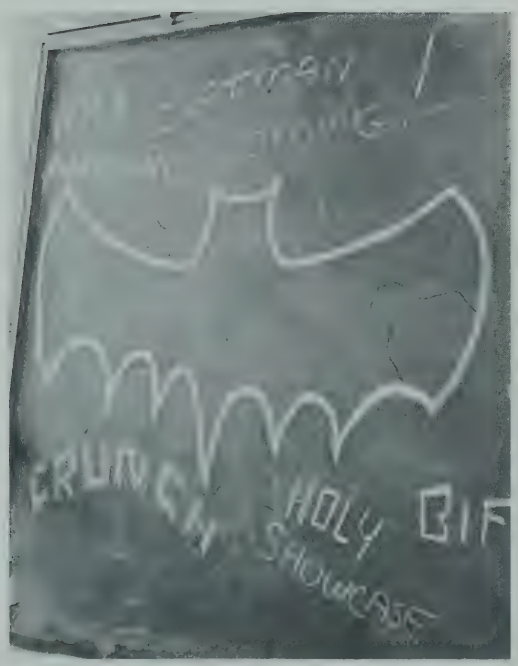
SCHOOLBUS

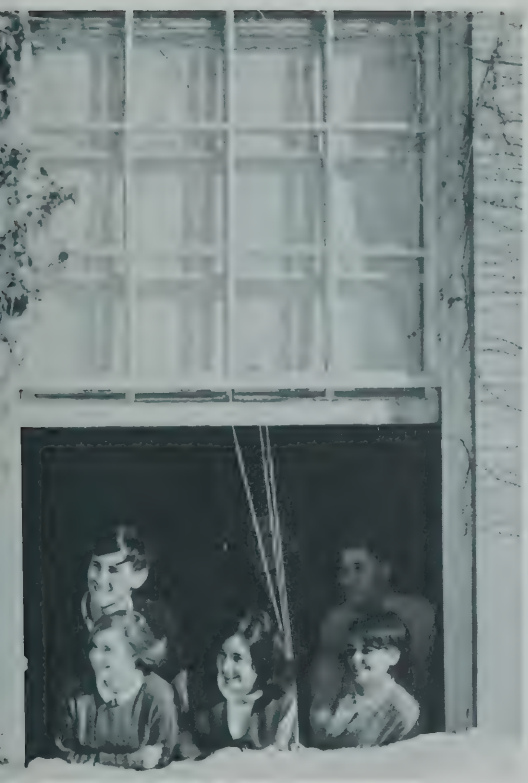


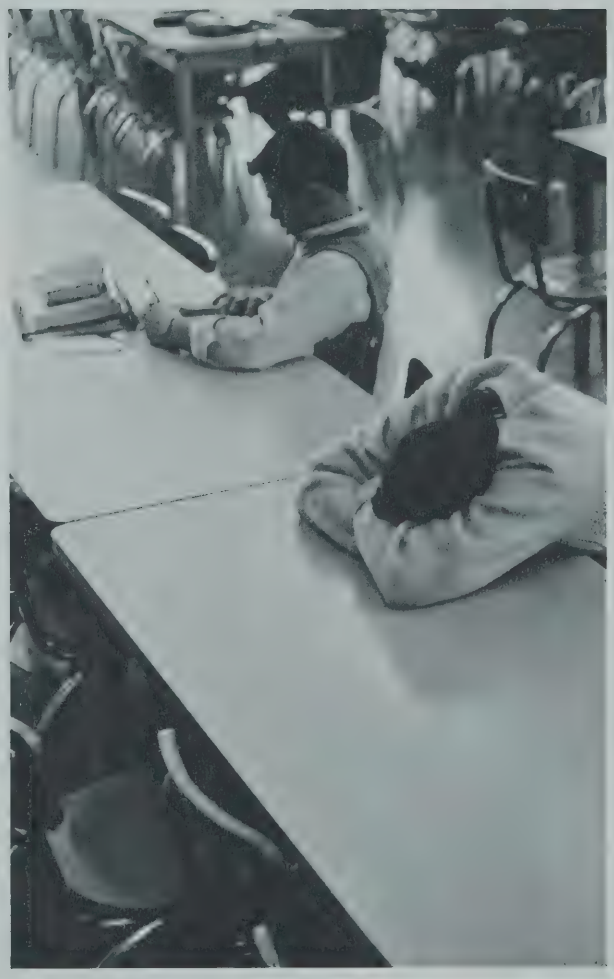


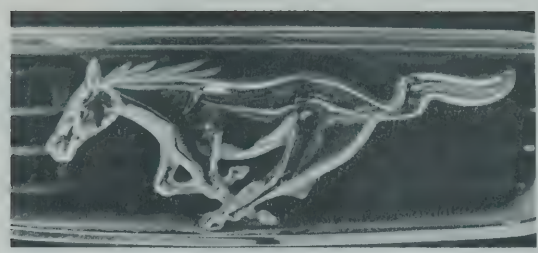


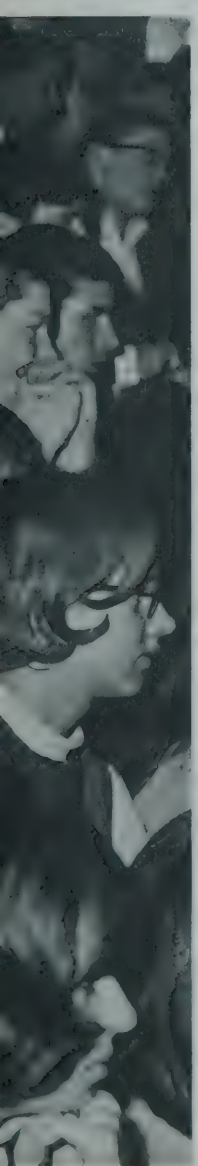


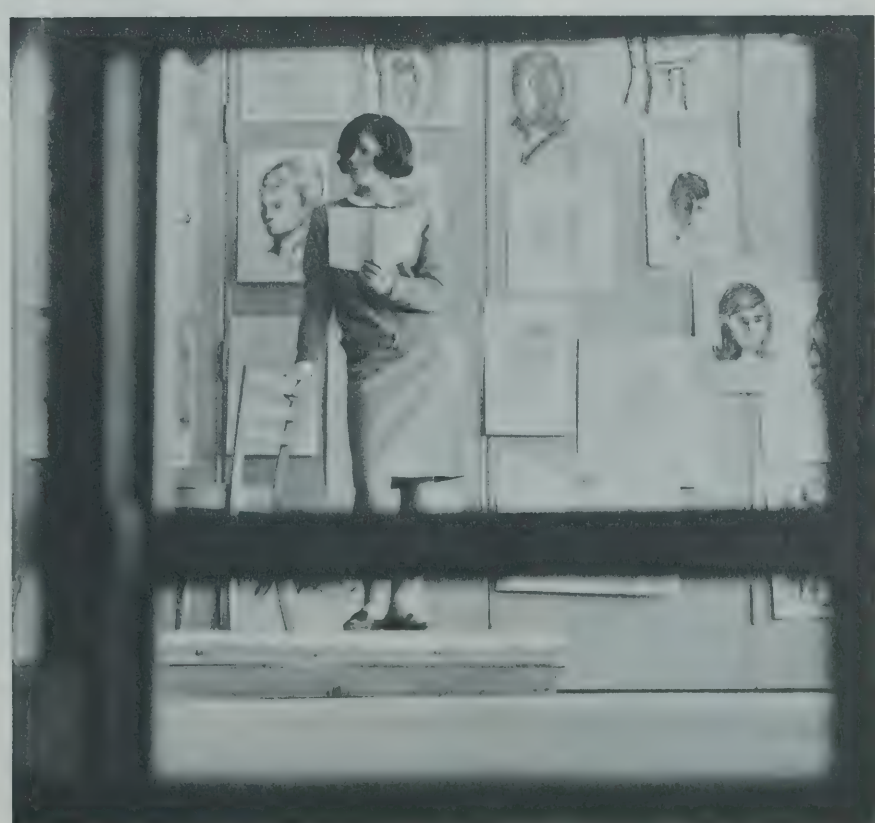
CRUNCH
HOLY
SHOWCASE

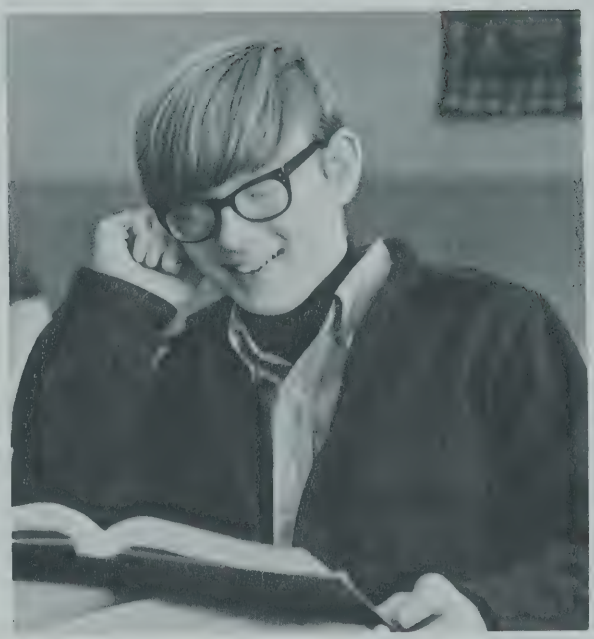












TO WILLIAM M. POWERS

At first glance the office, with its files and telephones, looks like any other administrator's office. But across the room is the table where Mr. Powers meets his Student Advisory Committee to discuss community problems. On the opposite wall are students' paintings. Even these seemingly unimportant details reveal some of Mr. Power's warmth and his personal concern for every student in every school in the town of Needham.

As a high school student, Mr. Powers decided that he wanted to be a teacher. After receiving a Bachelor of Science degree and a Masters in Education at Boston University, he taught in many towns, coming to Needham as Assistant Superintendent in 1957, a position in which he served for four years before his appointment as Superintendent in 1961. And with each experience his commitment to young people has been strengthened. Mr. Powers has devoted himself selflessly to the town of Needham. He is admired, trusted, and loved by both students and teachers. Mr. Powers has given the Needham schools direction that is both dedicated and inspired and leadership that the town can look to with pride.

MR. TOUCHDOWN

They always call him Mr. Touchdown;
They always call him Mr. T.
He can run, and he can throw;
Give him the ball and just look at him go!
Hip-hip-hurray for Mr. Touchdown,
We're gonna win it today!
So give a great big cheer for the hero of the year,
Mr. Touchdown U-S-A.

"Quality builds confidence"

The William Carter Company, nationally-known manufacturer of knit underwear and sleepwear for infants, children, men and women operates seven modern plants. Pictured above is the Company's Home Office in Needham Heights, Mass. The manufacturing plants are located in Springfield, Mass.; Barnesville, Thomaston and Forsyth, Georgia; Senatobia and Centreville, Mississippi. In January 1964, Singing Needles, Incorporated, Leola, Pa., became a wholly-owned subsidiary of The William Carter Company.

Carter's is celebrating its 101st Birthday this year. The firm still steadfastly adheres to the high ideals of its founder, William Carter, who said, "Quality builds confidence, quality endures, quality pays."

To the 1966 Graduating Class our heartiest congratulations.

When you start working and receive your first salary, we invite you to come in and open a Savings Account. Then, make it a habit to save something each pay day. Building a healthy bank balance will give you a wonderful feeling and prove that you have what it takes to get ahead financially. We'll welcome you as a depositor.

JOYS OF AN EDITOR

Getting out this Advocate is no picnic.
If we print jokes people say we are silly.
If we don't, they say we're too serious.
If we take ideas from other yearbooks,
We are too lazy to think them up ourselves.
If we don't we are stuck with our own stuff.
If we stick close to the job all day
We ought to be out taking pictures.
If we do get out with our cameras,
We ought to be inside copying layouts.
If we don't have a blue and white cover
We don't appreciate tradition.
If we keep the school colors,
We are old-fashioned.
If we make a change in someone else's write-up,
We are too critical.
If we don't, we are asleep.
Now, like as not someone will say
We swiped this from some other yearbook
And we did.

We wish to thank Miss Burke, our advisor; Mr. Allen, who was in charge of finances; Mr. Talbot and Mr. Marvin, our photographers; and Mr. Farnham, our Keller Representative; who helped us with our book this year.

This book printed by VELVATONE, a special process of lithographic printing. Sole producers: Wm. J. Keller Inc., Buffalo, N. Y.
No other printing firm is authorized to use the Velvatone method.
